---

## WORK EXPERIENCE

**TJX Companies**, Evansville, IN

*May 2025 – August 2025*

*Supply Chain & Operations Intern*

- Designed and delivered a Python-based pre-routing optimization tool using principles of logistical scaling, exponential smoothing and network efficiency modeling, projected to save \$75K+ annually via damage outflow reduction.
- Collaborated with warehouse staff, supervisors, and leadership to manage 40+ dock doors, 4K–10K daily units, audits, and merchandising discrepancies using principles from Lean Six Sigma Yellow Belt coursework.
- Architected interactive Power BI dashboards using real-time BlueYonder SCM data to **inform** targeted process improvements.

**SiTime Corporation**, Santa Clara, CA

*May 2023 – July 2023*

*Finance & Accounting Intern*

- Cleaned up accounts receivable backlog by matching incoming payments to open invoices and tracking down missing information, keeping customer balances accurate.
- Communicated directly with international customers to answer billing questions and send clear Statements of Account, building trust and resolving issues quickly.
- Worked daily in Oracle Fusion Cloud Financials to enter and reconcile transactions and pull AR and aging reports that the finance team used for month end close.

**Empower Martial Arts**, Dublin, CA

*May 2019 – July 2022*

*Instructor*

- Taught martial arts to 400+ students of all ages, including beginner, intermediate, and advanced levels.
- Developed native attendance and delivery system during covid, saved studio \$200+ per month in software fees.

---

## LEADERSHIP & INVOLVEMENT

**Banking and Trading Association**, Bloomington, IN

*September 2022 – May 2023*

*Member*

- Participated in meetings, events, and workshops related to finance and investing.
- Networked with industry professionals and peers to stay current on trends in the financial sector.
- Developed awareness in areas such as financial analysis, market trends, and excel use via association-led training and self-study.

**Financial Planning Association**, Bloomington, IN

*August 2023 – Present*

*Member*

- Accessed FPA-exclusive resources focused on personal finance and planning trends to deepen understanding of client relationship management and industry best practices.
- Trained on regulatory standards, client trust-building, and long-term financial planning strategies distinct from typical banking and trading.

**B-Top Advocacy**, Bloomington, IN

*March 2023 – February 2025*

*Advocate & Member*

- Conducted robust data aggregation on ridership data to address shortages and reallocate resources.
- Contributed to the development of a long-term strategic plan for Bloomington Transit to increase accessibility and efficiency, including the development of a new Transit Center and funding for a feasibility study into an east-west Bus Rapid Transit corridor.
- Supported grassroots campaign promoting sustainable and equitable transportation solutions, including enhanced biking, walking, and public transit infrastructure in Bloomington.
- Engaged the community through forums and outreach to gather input on travel patterns and community sentiment.
